

Rosemont Mine 404 Permit

EPA ACTION: On March 1, EPA Regional Administrator Mike Stoker transmitted a letter to General D. Peter Helmlinger, Commander of USACE's Northwestern Division, indicating that Regional Administrator is exercising his discretion to not seek higher level review under Clean Water Act (CWA) Section 404(q) of the USACE permit decision for the Rosemont Copper Mine Project. USACE is expected to issue the CWA Section 404 permit.
